## HALL HIRE PRICING POLICY

The aim of this policy is to provide clarity to all hirers on the charges for hiring Woolmer Green Hall.

Woolmer Green Parish Council's objective is to ensure Woolmer Green residents, businesses, non-profit clubs and registered charities benefit from a fair and transparent pricing policy.

Apart from registered charities, all hirers not resident in Woolmer Green will pay the full price for hire of rooms in Woolmer Green village hall. Hirers will be charged for the whole time they occupy the hall which will include any setting up and clearing up time.

Hall hire rates are displayed on the Woolmer Green Parish Council website.
